Students can submit summer reading logs in one of two ways:

Record the books you read online through Wandoo Reader, a program available at <http://bit.ly/WehaSummerReading>. Reading logs are automatically sent to your school.

OR

Record the books you read on a paper reading log and submit it to your teacher in September.

Dear Parents,

Our partnership is critical to your child's success in school. We hope that you will read with your child, as this has been proven to be an important factor in developing lifelong readers.

Once again, the West Hartford Public and School Libraries are sponsoring the Summer Reading Program. Please join us in introducing our children to the wonderful world of reading for pleasure. Help them to explore places near and far, meet new people, and discover the wonders of the world, while powering their imaginations.

This reading list is provided to you to assist you in helping your child select appropriate reading material that you can share together. Enjoy the journey!
